All modern features must be masked and hidden. All non-period/metal tables/chairs/etc. must be covered, including legs, in such a manner that suggests they conform to the Medieval/Renaissance theme. EZ-UP shelters must be connected to one another in order to appear as a single booth.

All "non-period" equipment on your person or in your booth (fans, cell phones, pagers, credit card machines, coolers, etc.) must be out of sight of Patrons. All pagers and phones must be in silent or vibrate mode or turned off. The general set-up and display media used in booths is expected to appeal to the Medieval and Renaissance period styles. It is the sole responsibility of the merchants to provide their own display media. Display media must conform to the theme of the Event. For example; no handwritten signage unless done in calligraphy. Signage not meeting standards may be removed by MFC Management.

The following booth construction items are not acceptable: No plastics may be used for signs or canopies; No exposed chicken wire, unpainted plastic pipe, shiny metal, or cardboard. No military issued tents. Modern woven strapping is not permitted to tie down tents/pavilions. Ropes may be of any natural product or color - No day-glow or neon colors.
